

**VTech Contract Manufacturing Services
Ranks 25th in MMI's Top 50 EMS Providers 2019**

Hong Kong, 6th April 2020 – VTech Communications Limited, a subsidiary of VTech Holdings Limited (HKSE: 303) and one of the world's leading contract manufacturing services (CMS) providers, today announced that the company has been ranked 25th among the "Top 50 EMS Providers 2019" in the latest annual survey by Manufacturing Market Insider (MMI), which was released in March 2020.

VTech CMS offers world-class, full turnkey services to customers in a number of product categories, delivering year-on-year growth. It continues to be the number one EMS (Electronics Manufacturing Services) provider in Hong Kong, while its global ranking for 2018 was 27th.

"We credit our improvement in the MMI ranking to the great support from our existing customer base, as well as the new customers coming on board as a result of the work of our active business development team," said Mr Andy Leung, CEO of VTech CMS. "VTech CMS has achieved consistent growth in the last 17 years and it is expected to continue outperforming the global EMS industry."
